

HOW IS THIS MURDER DIFFERENT FROM ALL OTHERS?

THIS PASSEVER, WE REMEMBER
Victor Bach (71) was brutally murdered on 10/31/03 at his company, Western Plumbing & Heating, 600 Treat Ave in San Francisco.

THIS PASSEVER, WE RETELL
His family fled Russia then China before reaching New York and settling in the Bay Area. He served in the U.S. Navy, graduated from

UC Berkeley, joined the family business, raised his own extended family. Victor & his second wife Kathleen Bach (54) lived for many years in Burlingame and most recently on Shoal Drive in San Mateo. They belonged to Lake Merced Country Club; he was past president of the Mechanical Contractors Assoc. & fundraiser for the Jewish Home for the Aged.

THIS PASSEVER, WE EXPAND THE SEARCH for his killer/s. Most San Francisco homicides go unsolved. Detectives are overworked & not eligible for overtime. There are no funds to follow leads outside the city. Too many cases go cold without help from the community!

THIS PASSEVER, WE NEED YOUR HELP TO REPLACE BITTER TEARS WITH GRATEFULNESS.

You were his neighbors & friends. We need to have your clues and support.

If you have any information to help the investigation, *please...*
